

Daneline International Charitable Foundation Great Dane Rescue

Registered charity no: 1159035

Great Danes gifted into Daneline's care are comprehensively assessed in FOSTER homes, NOT kennels. All our Danes visit a vet and all necessary operations are paid for. Whilst they are in our care, we work hard on any behavioural or training issues, so we can confidently match the Great Dane to his or her new family.

Daneline International Charitable Foundation is a charity and holder of The Lord Erskin Award 2009 for "outstanding contribution to the welfare of Great Danes".

WE NEED YOUR HELP TO RAISE FUNDS

You can do this by:

- Making a donation by PayPal or cheque
- Organising fundraising activities
- Offering a Great Dane a forever home
